Dear Peter Townsend,

Thank you for your letter, about my application, for Constant Attendance Allowance, which John Bond, & his Father have told you about, and, for which I am grateful to you, for your personal interest. The position up to date is, that last Thursday October 21st I had an independant Medical Assessment, connected with the review of my case, for which I am now awaiting the results of, and, will let you know, when I hear them, also my views, on the proposed enging, & my own general ideas, and, criticisms, of the scheme.

Yrs Sincerely.

Alan Brown.
